Categories of Records

- Company governance, registration, ownership and compliance records.
- Client contracts, quotations, invoices, receipts, payment and accounting records.
- Project, installation, support, maintenance, hosting, domain and service records.
- Supplier, contractor, procurement, warranty and product records.
- Human resources, training, contractor and internal administration records, where applicable.
- Marketing, website, communication, enquiry and client portal records.
- Technical, cybersecurity, backup, access, audit and incident records, where applicable.

Records Automatically Available

Records that may be available without a formal PAIA request include public website pages, public package or service information, public company profile material, published legal notices and documents intentionally made available for download.

Access Request Process

1. Identify the record requested and the right that the record is required to exercise or protect, where applicable.
2. Complete the prescribed PAIA request form, currently Form 02: Request for Access to Record.
3. Attach proof of identity and proof of authority if acting for another person or organisation.
4. Submit the request to admin@futurecreativegroup.co.za.
5. Future Creative Group will assess the request in terms of PAIA and may request clarification, proof, payment of prescribed fees or additional information.

Required Forms and Applicable Fees

Official PAIA guidance and forms are available from the Information Regulator and Department of Justice. Prescribed request and access fees may apply under the PAIA regulations.

Information Regulator PAIA forms: <https://infoeregulator.org.za/paia-forms/>

Department of Justice PAIA information: <https://www.justice.gov.za/paia/paia.htm>
